**Amendments to the Claims:** 

This listing of claims which replace prior versions, and listings, of claims in the

**PATENT** 

application reiterate the previously presented claims set:

**Listing of Claims:** 

1. (Previously Presented) A marking surface operable to be written on,

drawn on or otherwise marked by a user comprising:

a marking area comprising penmanship improving indicia comprising ink capable

of disappearing; and

an overlying barrier sheet for preventing permeation of air, said overlying barrier

sheet being removably affixed to the marking area;

wherein removal of said overlying barrier sheet initiates a chemical reaction

process in which said ink disappears after passage of a certain amount of time.

2. (Original) The marking surface of claim 1, wherein said barrier sheet is a

sheet of synthetic polymer.

3. (Original) The marking surface of claim 1, wherein said barrier sheet is a

sheet of lightweight aluminum foil.

4. (Original) The marking surface of claim 1, wherein said marking area

includes an area for writing a note between a plurality of lines formed from said ink.
